February 2017

Dear PDA Provider:

Thank you for submitting your continuing education activity for review with the NCCAOM. For detailed information regarding the NCCAOM PDA program, please see the *NCCAOM® PDA Handbook*. If you have questions, the PDA Department will be happy to assist you. Please contact us by email at [pda@thenccaom.org](mailto:pda@thenccaom.org) or by phone at 904-674-2474.

The PDA application process is a paperless system and requires the PDA Provider to complete the application form and submit it electronically with the required documents (pg. 3) and the review payment to [pda@thenccaom.org](mailto:pda@thenccaom.org). Paper or faxed applications are not accepted and will be returned to the Provider. Be sure all sections of the application are filled in. The symbol  indicates fields that are automatically loaded to the PDA database which, in turn, feeds the information to the *NCCAOM® PDA Search Engine* and the *NCCAOM® Certificate of Participation*.

A “complete” application consists of all the required documents and payment. The complete application is added to the review queue and reviewed in that order. Expedited reviews are available for individual programs for an additional fee (pg. 7). Applications continue to take approximately 4 to 6 weeks to process. Incomplete applications slow the process and are the responsibility of the Provider to complete.

Once the course is approved, the Provider is notified via email and the U.S. Postal Service. The PDA Provider is required to use the *NCCAOM Certificate of Participation* to issue the approved PDA points to the attendees. The certificate can be customized with the Provider’s logo, responsible party signature, and additional professional continuing education approvals.

The PDA Department would like to thank you for your support and affiliation with the NCCAOM and its Diplomates. The Providers’ continued interest in offering quality educational programs for the acupuncture and Oriental medicine community is much appreciated.

Sincerely,

*The PDA Department Staff*
