To report a course, you would have to start by logging into your Online Portal.

1. Once logged into your Online Portal, scroll down to your Recertification section and click “Report CE” link.

The screenshot shows a web application interface for adding a new record. At the top right, it says "Logged In: Olga Cox (Admin)". The main heading is "New Record". On the left, there is a sidebar with "Recert Cycle: OM Recert Cycle" and "Activity Information" section containing a list of course categories: "1. Coursework from a", "2. Coursework that is", "3. Coursework appro", "4. Coursework compl". Below this is "All coursework reported b" and "Select your activity type." followed by a "Please note: Course nu" and "(examples: PDA-2-001, P" and "For help, please review". The main form area has an "Activity Type*" dropdown menu that is open, showing a list of options grouped into three sections: "AOM-ABT-BIO Coursework", "Coursework Other", and "Professional Enhancement".
